Yes.

Huh?

The basis
of psychic
research is
to clarify
the existence
of strong
powers of
a person.

In other words, a strong green aura super-power, may also become more intense than a red aura superpowers.

Why?

Do you mean that he would abuse his power? Kunimi-kun will not be that way.

Absolutely -

But this theory has not been proved yet.

*I killed
him.*

Do you
not know?

Shin's
powers
aura was
red.

*I

*The thing  
I want

*Is to

Unless  
don't  
you think  
so?

But

.....

I want you  
to be careful  
until you enter  
a stable period  
in your  
pregnancy.

It's only  
been two  
months since  
you've gotten  
pregnant.

I don't  
want  
for you  
to such  
a thing as  
a miscarriage

.....

No...

Oh

Kunimi-  
kun  
....?

I'll be  
more  
careful.

Kunimi-kun  
is good  
without  
having  
to be  
forceful.

I

Kunimi-kun,  
Yuu-kun  
and the  
baby.

I want  
everyone to  
be happy.

It will just  
be us  
two eating  
dinner  
together.

Yuu-kun,  
Today  
Kunimi-kun's  
feeling a  
little sick.

You  
all  
will  
become  
happy.

*Kunimi-kun,  
Yuu-kun*

*and the  
baby*

Nowadays  
all they can  
probably  
do is bend  
spoons.

Almost  
bogus.

By the  
fourth and  
also by  
the sixth  
experiment  
to do  
with these  
powers they  
felt fake.

To do a thing  
as go on TV  
saying you're a  
self-proclaimed  
Exper, they would  
be claiming who  
is better.

So...  
It a disap-  
pointment  
there is  
no such  
things.

These real  
superpowers  
will not  
appear well  
in front  
of the  
public eye.

They  
have no  
fear or  
they are  
stupid.

This is  
also  
fake.

What  
Shin,  
  
Was  
it hard  
today?

.....

Yuu  
appearance  
was  
strange.

Uncle,  
  
What  
do you  
think of  
such a  
thing?

I thought  
it might  
be taken  
for  
granted,  
right?

Yuu's  
jealous of  
Kokoro's  
baby  
inside her  
stomach.

His powers  
are able  
to attack  
without  
speculation-

He has  
his own  
special  
powers.

Yuu  
already  
knows,

that he's  
not an  
ordinary  
human.

She  
wanted Yuu  
to be put  
in her care.

And even  
if he had  
red ESP  
powers.

Are you  
going to  
be able to  
protect  
Minai-san  
with these  
powers.

Please  
stop!!!

Yuu wouldn't  
use his powers  
against us or  
our child.

Stop  
saying  
such a  
thing.

Because I once  
thought there  
was no way  
for us to  
live together.

Because  
we're  
family.

So  
you  
don't  
say,

Even  
If you  
need to  
protect  
those  
two.

Whether or  
not it should  
be considered  
Shin.

*In a case  
of emergency  
If Yuu does  
something will  
you able  
to kill him*

*Will you  
be able to  
protect  
Minai-san.*

Minai-san take care.

Minai-san Ohh!

Thank you!

I feel that

Why in the world did you do something so reckless?

I wasn't going to die.

It wasn't a big deal if I was going to fall down the stairs.

Why..

So why did you use such a large amount of your powers...

You need to take better care of yourself...

For such a thing I'm not happy at all.

You can  
keep

these powers

Shin-kun's experiment results were quite helpful.

Ah Yes.

Shin's experimental results have they advanced?

W-What the matter Shin-kun.

A black and white manga-style illustration. The top half features a close-up of a young man with short, dark hair and a wide-eyed, open-mouthed expression of shock or realization. He is looking downwards. The bottom half of the image shows a cemetery with numerous tombstones of various shapes and sizes, some with flowers. A path leads through the graves. The background consists of rolling hills and a sky with large, dramatic clouds.

It's his

understand
how much
deep sense
of power-
lessness
I felt?

I
hated
it.

That you'd
hated your
powers so
much that
you would
neglect
them.

Why is it
that you
want to kill
Kokoro's
baby!?

Why?

Why are
you giving
me these
troubles?

...
That's
right!

Why don't we take a break.

Slow down Yum-kun slow down!

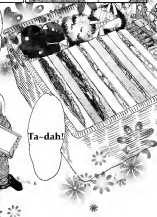

I'm a little tired.

Why don't we have lunch.

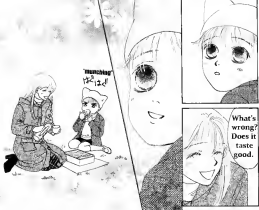

Even though it's not that much, it didn't take that much time to make it.

Doesn't this look amazing! Let's eat let's eat!

Ta-dah!

Which food
of mine and
Kunimi-kun's
do you like
best?

Hey
Yuu-
kun.

Oh.
Sorry
was that
difficult.

It's not
a nice
idea to
think of.

**Kill
it.**

**Kill
it.**

● さん におはようございます

Yuu-kun

My Mom is no longer here.

Hey, Yuu-kun My..

It really was scary.

My Dad also left for faraway.

Kunimi-kun and I chosed we'd be together.

Yuu-kun
was that
okay for
me to say,

If
Kunimi-
kun
died earlier
than me.

I'd be
helpless
—

It's good
to be able to be
pregnant with
this child.

Besides.

Would you like to go home soon.
First we need to throw our trash away.

Kokoro?

we
don't
have the
freedom
to die.

These
powers
freely,

I
always,

felt like
living was
like being
manipulated
by this
power.

Shin

Why do
we have
these
powers?

Don't rely
solely on
these
powers
because,

after them
being inherited
by the family it
will continue to
repeat down
the
bloodline.

It's
inevitable.

Really
it seem
alright.

Once you
accept your
own powers
the more
enhanced
they
become.

When I
lost my Wife
I was in
such despair,

Until I
met with
you.

I try
my best
to look for
the right
thing to
do,

I was
relieved it
would be your
presence
that would
kill me.

but all
I did was
just to wait
for the
day you'd
killed me.

Which
today is
that day.

**Kill
me
Shin.**

**Kill
me.**

**Kill
me!**

*If you
seriously want
to protect
them you'll
need to accept
these powers.*

*If you
want to
live with
her for
long while,
you'll need to
decided.*

*You'll be
happy
without
being
defeated.*

*No matter
how painful
it will be,
it's whether
those powers
are strong.*

*So
you
will
become
perfect.*

**Why do
you want
me to kill
you Uncle,
I don't
want to!?**

**I

**I
refuse!**

**Is it just
me or are
you always
unaware
of me!**

**Do
you not
want me
around!!**

Uncle!!

Uncle!

Shin.

Why did
you come
here all
alone?

She and
Yuu do you
not know what
those two
are doing
now?

Why
did
you
come?

You left
Minai-san
behind.

Huh
—?

I keep
suggesting
it towards
Yuu.

By
using
Yuu's
worries.

To
kill
Minai-san's
baby.

You
can't
stand it,
Shin.

ba-bump

She'd
be deeply
hurt if
you died
a painful
way.

Minai-san
gives all her
happiness
to you.

And is
willing to
love all
of you.

Shin

If I die,
I implied
that You
will come
undone.

For
you,
what
matters.

It's not
me, but
Mina-san.

Protect
her,
Shin.

I want
you to
be happy.

**You told
him he
should kill
Kokoro's
baby.**

Uncle

**Yuu
told
me,**

**I
was told
all this.**

**Kokoro
also,**

**Told
me that
you said I'd
kill you
one day.**

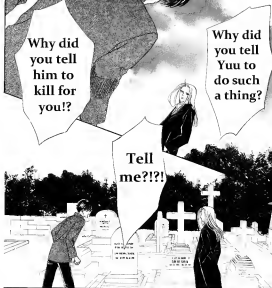

**Why is
that?**

Why did
you tell
him to
kill for
you!?

Why did
you tell
Yuu to
do such
a thing?

Tell
me?!?!

Why
Yuu!

Don't
come
near
me!

*Onii-
chan*

I've had
enough already!
Can you
go somewhere
else!

*Onii-
chan*

Because
of you,
I am also
getting
treated like
a monster!

Yuu-kun,
you're also
going to be
an Onii-
chan!

*Onii-
chan*

Why don't
you go do
something
and
disappear!

*I
don't
need*

You'll become
a brother, You
both will be
raised with
love.

Nothing

*I
don't
need*

*I
don't
need*

Shin

Do you
remember
the day when
we had met
for the
first time?

Kill it!

*I
want you
to kill
Minai Kakoro's
baby.*

Oh that's
right you'd
only be
2 years
old.

Your
Mother
brought
you and
introduced
me to
you.

Huh?

No...

Huh?

Without
knowing
each
other,

You
wouldn't
of known,
right?

That
day,

was the
day of
my wife's
funeral.
